Introducing Our New Hotel Mattress Line: Designed for Comfort, Durability, and Guest Satisfaction

www.ComfortSleepBarbados.com

GET TO KNOW US

Founded in 2003 by visionary entrepreneur **Mr. Dennis Charran** in Guyana, ComfortSleep Inc. has become the region's leading manufacturer of high-quality mattresses—trusted across the Caribbean for comfort, durability, and craftsmanship.

At **Comfort Sleep Distribution Inc.**, under the leadership of **Helene Bovell**, we proudly extend this legacy to the hospitality industry in **Barbados and beyond**. We understand that for your guests, sleep is more than rest—it's part of the experience. That's why we deliver luxury mattresses designed to meet the real-world demands of hotels, villas, and vacation rentals.

Backed by **ISO certification**, **EPA compliance**, and **international recognition for quality**, our products are sustainably made and engineered for tropical climates, high guest turnover, and unforgettable comfort.

This catalogue introduces a partnership opportunity designed to add real value to your property:

- A **tester mattress program** to let you experience the comfort firsthand
- An **8-year transferable warranty** for peace of mind
- **Fast turnaround** and regional expertise you can count on

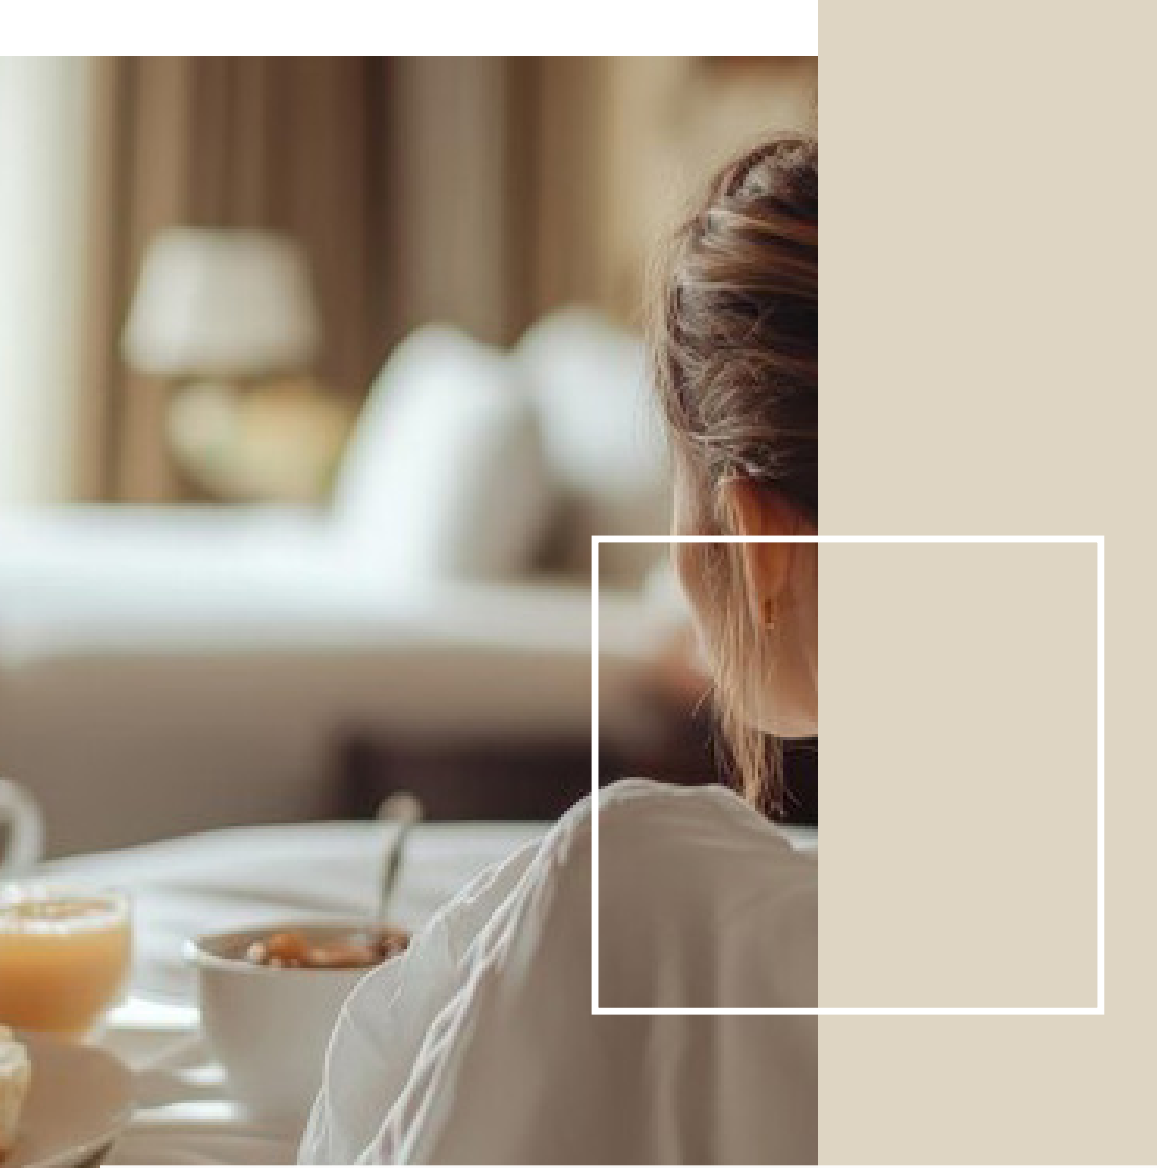

But we offer more than specs and service—we offer **handmade excellence, infused with Caribbean care**. Each mattress is built by expert artisans under tropical skies, crafted with premium materials, and inspired by the rhythm of island living.

Choose a partner who understands Caribbean hospitality— ***Let Comfort Sleep Distribution Inc. help you turn good nights into great guest reviews.*** One unforgettable stay at a time.

INNOVATION

DIVE INTO DEEP SLEEP WITH THE POWER OF POCKETS SPRINGS

Craving a sleep experience that feels like sinking into a supportive cloud? Look no further than our Pocketed Spring Mattresses, a haven for deep slumber and rejuvenating nights. Unlike traditional, interconnected coil mattresses, these marvels of comfort feature independent springs encapsulated in their own fabric pockets. This revolutionary design unlocks a world of sleep benefits:

PRESSURE-POINT POWERHOUSE: Each pocket spring reacts individually to your body's unique curves, offering supreme spinal support.

MOTION ISOLATION MAGIC: Say goodbye to nighttime disruptions! The independent springs absorb movement.
